

KREIA Spring 2019 Continuing Education Conference

KBHI # CE-1005

March 8th & 9th, 2019

Capital Plaza Hotel Frankfort, KY

The Kentucky Real Estate Inspectors Association (KREIA) is pleased to announce that the Spring 2019 Education Conference will be held Friday & Saturday, March 8th & 9th, 2019 in centrally located Frankfort, KY to provide Kentucky Board of Home Inspectors (KBHI) approved continuing education credits for renewing your Kentucky Home Inspector license, national association approved credits for your memberships and some ancillary courses.

WHY attend a KREIA Conference?

KREIA strives to keep the conference education interesting and relevant. Some classes will be geared toward the license requirements, such as law and manufactured housing, however many classes are designed for all levels of inspection knowledge. We invite you to come and experience KREIA's conference. KREIA strives to keep the classes interesting. Nationally known speakers, as well as local talent, are used to keep the mix relevant and upbeat. On top of that, KREIA even provides coffee, breakfast pastries and lunch each day at no additional cost. Who else feeds their conference attendees?

You'll be able to get your KBHI & national associations approved continuing education at this event. Yes, that includes the required manufactured housing and law classes, again.

Don't overlook the value of meeting informally with all the attending inspectors and discussing home inspection issues and business operations with them. **There's usually over 150 other home inspectors there to share with.** Sometimes you learn almost as much in these informal discussions as you do in formal classes.

FOR OUT OF STATE INSPECTORS & National Association Members:

One of the added values of KREIA is that if you need continuing education for your national association or state license required education, as a testimony to the quality of KREIA's education, the following National Home Inspector associations and states have accepted most, if not all, of KREIA's continuing education.

ASHI iNACHI
Indiana Tennessee West Virginia

**Kentucky Law classes may not count for other states*
