March 3rdth & 4th, 2023
Capital Plaza Hotel Frankfort, KY

CLASS AGENDA & SYLLABUSES ON FOLLOWING PAGES

Important information for IN-PERSON Attendees (online, see below)

KREIA does NOT proofread the information you submit on your registration form. Check your nametag. That information is what we received and what will be on your continuing education transcript. If it's wrong, please contact a KREIA Board of Directors member to have it corrected before the transcripts are issued.

To comply with the continuing education rules of the Kentucky Board of Home Inspectors, the Kentucky Real Estate Inspectors Association (KREIA) asks that you follow the rules below to receive continuing education credit for the classes you attend and improve the classroom atmosphere.

To provide a learning environment we require the following:

- **Silence or turn off your cell phones.**
- **Refrain from cross conversations with other students. We are there to listen and interact with the instructor.**
- **Reading materials other than that provided by KREIA or the instructor are not allowed in the classroom.**
- **Disruptive and inappropriate behavior will result in the inspectors involved being asked to leave with no credit for that class.**

There will be a 10-minute break after each 60-minute block of instruction.

Inspectors entering the classroom more than 10-minutes late from the start of class or return from lunch or breaks **will not receive credit for that class.**

*****IMPORTANT NEW SIGN-IN/OUT INFORMATION*****

This year, your sign-in/out procedure will now be handled using QR codes. Each attendee will be provided with QR code slips each day, for each class, that is to be handed in at the beginning and end of each session attended. These slips are specific to YOU and you only-**do not share!** Be sure to keep track of these slips throughout the day. The slips will be scanned and serve as proof of your attendance. This will be our only record of your presence. More detailed instruction will be provided day of the event.

While we understand that there may be a need to step out of the class to answer a phone call or use the bathroom, note that excessive absence due to phone calls, bathroom breaks, etc., may result in the withdrawal of credit for that class. Such decisions will be made by the class monitors assigned by the KREIA Board of Directors.

Inspectors have the responsibility to follow the above rules.

Classroom monitors have the responsibility and authority to enforce these classroom rules.

Continuing education certificates / transcripts will be prepared emailed to each attendee once the conference attendance data is compiled and certificates prepared. **YOU need to let us know by the end of the following month if you don't get your transcript. After the end of the following month, there is a \$50.00 charge to provide replacement transcripts.**

Important information for ONLINE Attendees

Your personalized join link will be emailed the week of the conference. This is a different email from your initial general registration confirmation from “**Cognificent Learning for KREIA- webinar.host@bigmarker.com**”. Please add this email to your email friendly list. **There will be TWO emails (links) for day 1, part 1 and part 2.**

First check your spam/junk/promotions email boxes if you do not see an email by Tuesday, February 28th, then contact Kate@cognificent.org if need be. Two more reminder emails will go out 1-day before each conference date and 1-hour prior to the event dates from the same email address. *You may join the conference from any of those emails (respectively per day).* The links in the emails are unique to only you, **DO NOT SHARE!**

Be Prepared

The emails will contain a link to perform a system check to ensure that the device that you will be using to join will operate properly and it is **advised that you perform this check prior to the day of the event.** CHROME and FIREFOX are the preferred browser that operate best with the online platform. Please use the **most up-to-date** version of either browser.

The online “Chat” feature will be enabled for comments and platform technical questions. Any questions for the speaker, please use the **Q&A** window.

POLLING/ENGAGEMENT CHECKS

To prove your engagement to the State, we must launch 3 polls randomly per hour. This will take over your screen and cannot be missed if you are watching the program. Polls will be present for at least 2 minutes before closing. Once you respond to the polling question, the window will close, and the program video will resume (audio will remain). There will not likely be a verbal prompt when the polls are launched so **it is of the utmost importance to pay close attention and be sure to respond to each poll.** If a poll is missed, you may not receive CE credit for the class, that decision will be at the discretion of the KREIA board. Please keep this in mind when taking personal breaks. There will be 10-minute breaks after 60 class minutes.

Your time in session and the number of polls that are answered is our only way to qualify your CE credits. If you have trouble with the polls, contact the online host immediately for resolve. It's understood that this can be an inconvenience, but it is the only way to allow remote attendance so we must adhere to the rules.
