CLASS AGENDA & SYLLABUSES ON FOLLOWING PAGES

KREIA does NOT proofread the information you submit on your registration form. Check your nametag. That information is what we received and what will be on your continuing education transcript. If it's wrong, please contact a KREIA Board of Directors member to have it corrected before the transcripts are issued.

In order to comply with the continuing education rules of the Kentucky Board of Home Inspectors, the Kentucky Real Estate Inspectors Association (KREIA) asks that you follow the rules below to receive continuing education credit for the classes you attend and improve the classroom atmosphere.

To provide a learning environment we require the following:

- **Silence or turn off your cell phones.**
- **Refrain from cross conversations with other students. We are there to listen and interact with the instructor.**
- **Reading materials other than those provided by KREIA, or the instructor are not allowed in the classroom.**
- **Disruptive and inappropriate behavior will result in the inspectors involved being asked to leave with no credit for that class.**

Classes start and end on time. There will be a 15-minute break after each 60-minute block of instruction.

Inspectors entering the classroom more than 10 minutes late from the start of class or return from lunch or breaks **will not receive credit for that class.**

Inspectors will receive a sign in / sign out card for each class. These cards must be completed and returned to the class monitors at the end of each class. **Failure to return the card to the class monitor before exiting the classroom will result in no credit for that class.**

While we understand that there may be a need to step out of the class to answer a phone call or use the bathroom, note that excessive absence due to phone calls, bathroom breaks, etc., may result in the withdrawal of credit for that class. Such decisions will be made by the class monitors assigned by the KREIA Board of Directors.

Inspectors have the responsibility to follow the above rules.

Classroom monitors have the responsibility and authority to enforce these classroom rules.

Continuing education certificates / transcripts will be prepared and emailed to each attendee once the conference attendance data is compiled, and certificates prepared. **YOU need to let us know by the end of the following month if you don't get your transcript. After the end of the following month, there is a \$50.00 charge to provide replacement transcripts.**
